## 2016 and 2017 Graduates

Are you feeling a little lost about how to transition from college to career?

Join us for the College to Career program to learn from business leaders the job search skills and confidence you need to maximize your strengths and interests in the right work environment at this time in your life.

In this series of three workshops, you will experience hands-on practice in the following:

- Creating a winning resume
- Interviewing with confidence
- Negotiating a compensation package
- Marketing yourself
- Identifying the hidden job market
- Connecting with decision makers

PLUS 6 months access to an exclusive online career portal.
