Returning to Work *After COVID-19*

A COMPLIMENTARY INTERACTIVE WORKSHOP

Are you bringing your employees back to work after either working remotely or being furloughed? If you are feeling overwhelmed by all you need to do to bring them back, this workshop will make it easy for you. We will discuss what you need to think about and get you organized with a comprehensive checklist of all you need to consider. You will also have the opportunity to discuss with other business leaders about what they have learned during this challenging time. Join us for another vital topic that will move your business forward, presented by Greene and Associates, Inc.

Wednesday, June 10 – 9-10 a.m. CDT
