Virtual Workshop Description

Fast track your team member's - fast track yourself as a leader and fast track your organization -----

Career advancement is a shared responsibility between employer and employee, yet we know that the team leader can influence the direction of the careers of the team members. During this session, you can pause to reflect upon what you are doing to advance each team member's career, even when they might not see themselves as climbing the career ladder.

This session will provide proven ways to guide your team members toward lifetime employability using the concept of ME, Inc. Resilient leaders invest in people. Investing in people reaps great rewards for business.
