Tis the season to be thankful and so we invite you to join us as we recognize excellence in ourselves and others. Imagine this situation. It is Thanksgiving week and you are called to a luncheon yet you don't know why. You arrive and see about 10 other people, you don't know anyone except the person who invited you. It's still a mystery until you hear your name and stories about you with vivid descriptions of your positive actions. The person who invited you caught you in the act of doing great and he wanted to recognize your excellence along with the other guests. This holiday season gives us a time to pause and be grateful. Bountiful tips on showing your gratefulness as you recognize the excellence in others will be shared.

Our Recognizing Excellence workshop is in honor of Jim Matson

Jim Matson left an extensive legacy throughout San Antonio, including his service to Goodwill from 1995-2009. The Matson Inspiration Award was established in 2009 to honor the remarkable contributions of Jim Matson, who served as Chair of the Board and in other leadership roles for Goodwill Industries of San Antonio and as a Board Director for Goodwill Industries International. Jim passed away in 2010, leaving behind a legacy of mentoring and nurturing the gifts, talents, and abilities that he saw in people, inspiring them to become the best that they could be. This award serves to recognize and celebrate the lasting benefit of those same qualities in leaders in our community.
