### Workshop Description:

#### **Featured Speaker**

Give your career the attention it deserves. Give yourself the gift of Me Time. Ask yourself, How often do you think about how your career is progressing? Are you thriving or do you feel stuck? What can you do about it? Often leaders are busy supporting their direct reports and forget to consider their own career. Lost in the forest of daily tasks we fail to look forward and be strategic in taking charge of our career.

In this interactive virtual workshop you will learn three core components for moving your career forward.
