

Looking Back-Looking Forward

Linda M. Farley – Senior Consultant, Greene and Associates, Inc.

What do you want for each area of your life?

Think about what you have learned during the last year from training, reading, people, experiences and mistakes.

In 2022 what do you want to **learn, do differently, try, experience, let go of?** Who do you want to **meet?** What **new goals** do you want to set?

2022 Planning Sheet. Write what you want to learn, experience, do differently, etc. for each area of your life.
